REPORT OF THE SUPERINTENDENT

August 15, 1933.

To the Board of Education:

I hereby submit my seventeenth annual report as Superintendent of your public schools.

Pupil Accounting

The enumeration for the year was 1830, 87 less than

last year. The registration was 1839, 27 more than last year. The average attendance was 1678, 5 more than last year.

School	Registration	Average Attendance	Pupils per Teacher
High	489	425.88	28
Center	313	295.13	39
Annex	303	276.39	38
Maple St. Grammar	292	274.45	37
Maple St. Primary	295	275.12	37
Cedar Ridge	75	66.21	37
Bungay	20	17.94	20
Great Hill	39	35.64	19
Out of Town	9	8.78	
Trade School	4	3.00	
	<hr/> 1,839	<hr/> 1,678.55	<hr/>

Registration by Grades

Grade	1	2	3	4	5	6	7	8
	172	160	157	156	176	167	181	177
High School—Grade			9	10	11	12	T.S.	Total
			181	137	112	60	4	1839

Growth—5 Years

The growth for the past five years is shown by the following table:

	1929	1930	1931	1932	1933
Enumeration	1905	1953	2045	1917	1830
Registration	1745	1742	1791	1812	1839
Av. Attendance	1553	1579	1631	1673	1678
Grade Registration	1457	1464	1449	1402	*1345
H. S. Registration	296	272	342	410	*494
Teachers	53	53	55	56	56
Increase	64	2	49	21	27

*Includes 4 attending trade school and 9 out of town.

Teachers Accounting

We employ 17 teachers, including the principal in our high school—2 more than last year. Our grade teach-

ers, including principals, number 37—2 less than last year. Our teachers are well trained and properly certified.

The following teachers have left the service:

Teacher	Position	Length of Service
Helen E. Hall	Grade 4—Annex	2 years
Helen C. Moroney	Grade 5—Center	8 years
Catherine Brady	Grade 2—Cedar Ridge	1½ years
Ruth Y. Martin	Grade 3—Annex	7 years

The following teachers have entered the service:

Teacher	Position	Graduate of
Mary E. Crowley	H. S. History	New Rochelle
Earle T. MacHardy	H. S. Science	Wesleyan
Mary E. Cody	Grade 2 Annex	N. H. Normal
Mary E. Wilkinson	Grade 2 Cedar Ridge	N. H. Normal

Health Activities

The Rotary Club has continued to supply milk every morning to the underweight children.

Retarded children have been examined with a view to remedial work and adaptation of curriculum.

Many physical and mental corrections have been accomplished through the aid of the health officer and the New Haven Dispensary.

Ninety-six children had complete physical examination before entering school.

A social worker from the Connecticut Humane Society has consulted our problem, boys and girls, to advise and guide them.

School Costs

In spite of an increased registration we were able to operate on a budget over \$10,000 less than last year. \$6,190.25 was saved by reduced salaries of teachers.

School Buildings

Only absolutely unavoidable repairs were made on our buildings this year.

Miscellaneous

As an economy measure night school was omitted in 1932-33.

Courses in Domestic Science for adult women were also omitted.

Through the continued generosity of a friend we have again enjoyed and profited by the membership of every child in the Audubon Society.

Frequent radio programs have helped to enrich our school programs. The drum corps at Maple Street and Center Schools have done creditable work. The High School Orchestra was of high order.

I recommend the report of the high school principal to your careful attention.

High School Principal's Report

July 25, 1933.

Mr. R. C. Clark, M.A.,

Supt. of Schools, Seymour, Conn.

Dear Sir:

Herewith I present my annual report as Principal of Seymour High School.

The school year began September 7th, 1932, with an enrollment of 489, an increase of 84 over the preceding year. There were 64 graduated at the Commencement exercises, an increase of 11 over June of 1932.

To date there are 584 who have signified their intentions of entering high school in September. Two years ago 419 registered, and of this number 406 entered. One year ago 496 registered and 490 entered. There is every reason to believe that this fall there will be an enrollment of 560. The building was originally built for 280 pupils. This will show that we are in need of just twice the floor space. I am not advocating any type of building expansion, as this is an economy era. I want to bring to the attention of the townspeople the fact that when you are working under such crowded conditions, the best work cannot be done, and that parents should understand this

feature. I do not believe that this large enrollment is due to depression and the inability of young people to find work. There is no indication that in the near future our enrollment is going to become appreciably smaller, so we shall have to face crowded conditions and be content with them. The enrollment of last September was 490 and in 1928, five years earlier, it was 246, practically doubled!! In 1930 there were 31 in the graduating class, in 1933, three years later, the graduates numbered 64, more than twice the number. I include these figures to bring to the attention of the townspeople the fact that the high school is growing and in no small strides.

We cannot, in the face of all this, let up on our standards of work and teaching. The student has the right to expect a good education, and every careful and sane method to produce one should be offered by the Board.

During the year the school was visited by the State Supervisor of Secondary Education, Mr. Paul D. Collier. The following prizes were awarded at graduation.

1. \$3.00, given by Business Dept., for Junior Bookkeeping, to Stephen Plaskon.
2. \$2.00, given by Business Dept., for Sophomore Bookkeeping, to Stanley Smalec.
3. \$5.00, given by Alumni Association, for Normal Course to Blanche Mikoda.
4. \$5.00, given by Alumni Association, for Secretarial Course, to Julia Korin.
5. \$5.00, given by Alumni Association, for English, to Marie Conroy.
6. \$5.00, given anonymously, for French, to Blanche Mikoda.
7. \$5.00, given by Class of 1897, for History, to Edith Treat.
8. \$3.00, given anonymously, for Essay on Fire Prevention (first prize), to Frederica Keller.
9. \$2.00, given anonymously, for Essay on Fire Prevention (second prize), to Marie Conroy.
10. \$2.50, given by Woman's Club, for Sophomore Domestic Science to Helen Alshuk.

11. \$2.50, given by Woman's Club, for Freshman Domestic Science to Jeanette Jankoski.
12. \$5.00, given by Woman's Club, for Scientific Course, to William O'Connor.
13. \$3.00, given by Mr. and Mrs. E. K. Tomlinson, for Classical Course, to Marie Conroy.
14. \$5.00, given by Chamber of Commerce, for Essay on American Flag, to Stephen Plaskon.
15. \$5.00, given by Woman's Auxiliary, American Legion, for Geometry, to Charles Miles.
16. Medal, given by Alumni Rensselaer Polytechnic Institute, for Mathematics, to Miecrylow Deren.
17. Medal, given by American Legion, for School Citizenship, to Marie Conroy.
18. Medal, given by American Legion, for School Citizenship, to Albert Semmler.

In conclusion I wish to extend to you, the Board of Education, and all who have done so much to make the past year a success, my appreciation.

Respectfully submitted,

IRA E. CREELMAN, Principal.

Graduation—8th Grade

One hundred and seventy-three were graduated from the grade schools. No public grade school graduation was held. The following prizes were awarded.

\$2.00, given by the Daughters of the American Revolution for excellence in History to a pupil from the Great Hill School—Martin Sypniewski.

\$3.00, first prize, given by D. A. R. for History at Maple St. School—Sam Wityak.

\$2.00, second prize, given by D. A. R. for History at Maple St. School—Walter Schuster.

\$1.00, third prize, given by D. A. R. for History at Maple St. School—Edward Gahan.

Honorable Mention: Helen Gesek, Florence Towle.

Sewing Prize given by Mr. James Swan for sewing

\$1.50 first prize—Helen Krajnik.

\$1.00 second prize—Helen Lindskog.

\$1.00 second prize—Eloise Hull (given anonymously for sewing).

Science Prize given by the teachers for Science

\$1.50 first prize—Sam Wityak

\$1.00 second prize—Florence Towle

Arithmetic Prize given by the teachers for Arithmetic

\$1.50 first prize—Ervin Hupprich.

\$1.00 second prize—Sam Wityak.

Honorable Mention—Leonard Waskewicz.

English Prize given by the teachers for English

\$1.50 first prize—Ervin Hupprich.

\$1.00 second prize—Helen Ciesinski.

Baseball and Basketball Prize given by the teachers

\$1.50 first prize—Leon Bunk.

\$1.00 second prize—Michael Usevich.

Mechanical Drawing Prize given by Mr. James Swan

\$1.50 first prize—George Waldron.

\$1.00 second prize—Joseph Pupchyk.

Honorable Mention—Edward Kristopek.

Conclusion

In conclusion I wish to thank you for your continued co-operation.

Respectfully submitted,

RIDGLEY C. CLARK,

Superintendent.

REPORT OF THE SECRETARY

The Seymour Public Library numbers 12,819 volumes. During the year 394 books were added, 33 by gift and 361 by purchase.

The library has been open for circulation 302 days.

Total number of books issued	42,171
Total number of books issued in 1932	42,466
Adult non-fiction	4,392
Adult fiction	21,721
Juvenile non-fiction	5,583
Juvenile fiction	10,475
Average circulation per day	139
Book takers	1,498

Withdrawals

Books worn out	189
Books lost, paid for	2
Books destroyed because of contagious disease	6
Total	197

The library has received the following gifts during the year in addition to those sent by the State Library Commission:

Bulletins and reports have been received from libraries in Ansonia, Derby and Waterbury.

Flowers were presented by Mrs. J. H. Spencer, Mrs. N. W. Lounsbury, Mrs. Philip Squier, Mr. J. B. Honey, Mrs. Oliver Williams and Sarah Ludlow Chapter, D. A. R.

Magazines were received from the D. A. R., the Rotary Club and the W. C. T. U.

Books were given by Mr. B. H. Matthies, Mr. Philip McCarroll and Anna Yarosh.

Mr. Matthies also presented a fine flag to the library.

A new registration of borrowers was begun last fall, the purpose being to weed out of the files those who had moved away from town, had died, or had not taken books in recent years.

Already 1498 people have either registered again, or taken out cards for the first time.

In comparing our circulation statistics with those of last year, we find some interesting changes. The adult circulation increased quite perceptibly. Over a thousand more books of adult fiction went out this year than last. Many of these have served to furnish recreation for men temporarily out of work. This increase in adult fiction has unfortunately been balanced by a drop in the number of adult non-fiction and juvenile books.

Some means of attracting and keeping these child readers should be found.

One such means, temporarily most successful, was Children's Book Week in which the teachers in the vari-

ous grade schools co-operated most kindly. Posters from both the Center and Maple Street Schools made a beautiful display which attracted many visitors, especially among the children, who found the new books on the table another source of interest. The story hour, given before the fireplace, drew perhaps the largest number of the week. In spite of a pouring rain, seventy-five children were present.

In the early part of the summer, the librarian gave a talk to a large group of young people on "Summer Reading." She spoke of various kinds of books that were suitable for summer reading, and had books there to illustrate her points. This talk proved very beneficial to all who attended.

We wish to express our thanks to the Seymour Record and the Sentinel for printing our notices during the year.

Respectfully submitted,

BARBARA W. KLATTE,

Secretary.

REPORT OF THE FIRE DEPARTMENT

Seymour, Conn., Aug. 10, 1933.

The Board of Engineers wish to recommend in the interest of better service as soon as the financial means are possible, that the old style alarm boxes be replaced by the Succession Type which will assure a call being given under about any conditions, more boxes are needed in other locations, also great improvements could be made in the system at the Fire Department Quarters.

The Reo Hose and Chemical Truck should be replaced soon as possible with a truck better adapted to the work which requires more speed, better hill climbing ability and equipment fitted to work found in outlying districts of the Town. There is, at present, about \$3,000 in a fund for this purpose.

The Fire Department has answered twenty-eight calls this past year; thirteen box calls, ten telephone calls and one false alarm. Three calls were to the Town of Oxford and one to the Town of Bethany.

The fire losses in Town have been adjusted at \$7,126. There being only one with no insurance with a loss of about \$500.

At seven fires water was used from hydrants, one a nearby pond, one a brook and another a well by which at least \$15,000 in property was saved.

Five calls have been answered since January 11, 1932, to the Seymour line bordering the Housatonic River. These calls at present are answered by going through Ansonia and Derby, averaging a ten mile run. When the roads over Great Hill are improved this distance will be reduced to five and eight-tenths miles to the river, and will be entirely in the Town limits.

JAMES W. SWAN,
Chief.

FRED HILDEBRANDT,
First Assistant.

SIDNEY S. BASSETT,
Second Assistant.

REPORT OF THE HEALTH OFFICER

To the Honorable Board of Selectmen of the Town of Seymour:

Gentlemen:

The past year the health conditions of your town was the best in several years; a few sporadic cases of scarlet fever, whooping cough and mumps. The sanitary conditions relating to sewers and cesspools have caused some uneasy moments, but as a rule with State Department help these have been relieved, and in some instances removed.

In conjunction with the three surrounding towns we are going to try and have a meat ordinance passed that will remove a disagreeable condition in some of our markets relative to beef and bob veal. This resolution has been handed to your First Selectman with the hope that it will appear in the next call of town meeting. This I hope you will read carefully and vote successfully for, at your next town meeting.

Schools and school buildings are in good shape. Too much praise cannot be given our District Nurses for their co-operation in this matter.

Trusting this covers in a general way conditions at present and some of our plans for the future, I remain,

E. R. HARVEY, M.D.,
Health Officer.
